# WELCOME...

Welcome to Broad Street Italian Cuisine & Pizzeria. Our family business has been in the Souderton area for over a decade. At the end of 2020, we opened the doors to our new & expanded restaurant just a couple doors down.

Right behind our bar in the dining room we offer a private room. This space can hold up to 40 people & can be customized for your event. There is a TV that can be hooked up for your event. Come take a look at the photos of Souderton through the years placed throughout the room.

Summer of 2021, our Lower Level event space was opened. We are excited to offer this exclusive space to our community. It holds up to 60 people and can be customized for you specific event. We offer a private bar that can be customized; including your choice of draft beer options.
